Wish i had another but this was all i could buy still. The weakest of the Froggy G skins you can get, but it's really cool and quite intresting as it shows some body parts we didn't know what Froggy's species has.

Overall it's a good skin, but I personally would get the others.. Wish i had another but this was all i could buy still. The weakest of the Froggy G skins you can get, but it's really cool and quite intresting as it shows some body parts we didn't know what Froggy's species has.
